

StoryLine for NewPhaserGame (BraveHeart)

Background:

BraveHeart has an old friend, BlairWitch, and she's organizing a Halloween party called 'Best Practice PartyGame'. Halloween PartyGame is kept at BlairWitch's residence. The shortest way to the BlairWitch's Best Practice Halloween PartyGame goes thru' the Desert Canyon National Park. Though the shortest way isn't the easiest one, while heading to that place he will have two tasks:

While keep the balloons unbroken;

Collect the coins to buy snacks for the party.

StoryLine:

The BraveHeart carrying three balloons. The shortest way to the BlairWitch's Best Practice Halloween PartyGame goes thru' the Desert Canyon National Park. Our little BraveHeart will have to hike thru' this challenging road, carry balloons of three by himself, avoid the obstacles and be careful that the balloons won't pop during desert hike. Since it's not a Sunday evening afternoon walk our MainCharacter will encounter challenges on the road in which he will need to make any necessary endeavor to keep balloons unbroken during hiking.

If all three balloons *break up* the Game will End.

The Goal:

The Player will have excitement during BraveHeart's desert hike. The player will have to avoid the cactus. If not, then the balloon pops up. Coins which the Player needs to collect (at each level) are for the BlairWitch's Best Practice Halloween PartyGame for buying snacks. After the third level the pot will be huge -- the more the merrier!
